MANCEBO ACCEPTS GENERAL MANAGER POSITION AT AWA

Amador Water Agency Interim General Manager Gene Mancebo has accepted the position of General Manager of the Agency. Mancebo announced his decision at a special AWA Board meeting on Friday, April 30, 2010.

Mancebo has been serving in the interim position since September 2009 following the resignation of former General Manager Jim Abercrombie. AWA Directors unanimously voted to offer Mancebo the position in a closed session meeting on April 22, 2010.

“I’m excited to be given the opportunity to move the Agency forward,” said Mancebo. “The Agency is facing substantial financial challenges – and I’m looking forward to meeting those challenges head-on.”

The terms of Mancebo’s contract will be worked out by the Board’s Personnel Committee over the next few weeks, with the final agreement brought to the full Board for approval at a future meeting.

Mancebo has been with AWA since 1988 and led the Agency’s engineering department for 17 years before his appointment as interim head of AWA.
